REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The withdrawn claims are now rejoined as process of using and making the allowed compound.

The rejection under section 112, second paragraph is withdrawn since the compound names in claim 12 are clear. Also, the rewritten structures of new claim 44 correct the definitions of R¹. In this regard, the amendments to the claims and specification are corrections of an obvious error.

The prior art rejections are moot with the cancellation of the rejected claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
